

BC7 Bariatric Chair

The BC7 Bariatric chair is specifically designed for where extra wide bariatric seating may be required featuring a heavy duty use with a reinforced steel frame.

Perfectly suited across the aged care, health care and hospital sectors.

Features

Fully welded reinforced powdercoated steel frame with standard finish in light beige (pictured with custom grey frame), other colours available on request (extended lead times may apply).

Wide upholstered high density foamed seat with rolled front and padded armrests for extra comfort and support.

Upholstered to specification.

Weight capacity of up to 300 Kg.

10 year commercial frame warranty.
