

## Classic Tub

The Classic tub style chair is a heavy duty chair featuring a steel frame, polyurethane moulded foam seat, back and arms which is suitable for high traffic areas such as mental health and healthcare environments.

Perfectly suited across a diverse range of interior workspaces, public seating areas, aged care seating areas, health care seating areas, breakout areas and education sectors.

## Options

Upholstered to specification.

Chrome base finish as standard, other frame finishes available on request however minimum order quantities and additional charges may apply.
